Computerised Booking system and counters of Major Cities in India

1819. DR. SUBRAMANIAM SWAMY: Will the Minister of RAILWAYS be pleased to state:

(a) whether it is a fact that in most of the major cities in India the Railways have computerised Booking System and Counters

(b) whether it is a fact that there is a great demand to have these Booking Counters at the Airport Terminals for the convenience of the travelling public in all major cities;

(c) if so, what is Government's response in this regard; and

(d) by when this facility would be provided at both the domestic and international terminals of the four metropolitan cities?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI K. C. LENKA): (a) Yes, Sir.

(b) No, Sir. Only a few requests have been received.

(c) and (d) Railway had provided manual reservation counters at a few major Airports but due to poor utilization, this facility was withdrawn except at Calcutta. As such the provision of PRS terminals which deal with larger reservation volume, does not appear to be justified.
